Carlton Neville Papers: A Guide to His Papers at the Jimmy Carter Library

Collection Summary

Creator: Neville, Carlton, 1941-

Title: Carlton Neville Papers

Dates: 1970-1977

Quantity: 20 linear feet, 2 linear inches, 46 containers

Identification:

Accession Number: 83-01

National Archives Identifier: 1092

Scope and Content:

The collection consists of correspondence, memoranda, resumes, printed materials, bound reports, and briefing material. The material relates to Carlton Neville's service as National Director of Conservationists for the 1976 Carter/Mondale Campaign Committee; and his service as coordinator of the Carter Task Force on Energy during the subsequent transition following Carter's election to the presidency.

Creator Information: Carlton Neville

Carlton Neville was born in Atlanta, Georgia in 1941. He earned his B.S. (Physics) in 1963, and his M.S. (Physics) in 1964 at the Georgia Institute of Technology. From 1965 to 1966 he served with the U.S. Public Health Service in a Radiological Health Traineeship. In 1967, he earned an M.S. in (Nuclear Engineering) at the Georgia Institute of Technology.

He served in a variety of professional positions over the next several years: Senior Nuclear Engineer, Lockheed Nuclear Products Co. (1968-72); Assistant Professor, Kennesaw Junior College (1972-76); Chairman, Georgia League of Conservation Voters (1972-76); Director, Georgia Wildlife Federation (1974-76); Director, Save America's Vital Environment (1975); and President, Atlanta Audubon Society (1975-76.)

Neville served in the Carter/Mondale presidential campaign as National Director of Conservationists for Carter/Mondale, primarily from March of 1976 through November of 1976. In this position, Neville organized and operated a nationwide network of state conservationists for Carter organizations. He also served as Coordinator of the Carter

Task Force on Energy from November of 1976 through January of 1977, acting as liaison between the presidential transition staff and environmental organizations.

Restrictions:

Restrictions on Access: These papers contain documents restricted in accordance with applicable executive order(s), which governs National Security policies, applicable statutes/agency restrictions, and material which has been closed in accordance with the donor's deed of gift.

Terms Governing Use and Reproduction: Copyright interest in these papers has been donated to the United States Government. Some of the records may be subject to copyright restrictions (i.e. newspapers, publications, etc.). Researchers should contact the publisher for further information.

Related Material:

Related materials in this repository: White House Central File - Subject Files - Natural Resources, Sciences, and Utilities

Index Terms:

Limited to major topics under each category
Persons: Carlton Neville

Organizations: Conservationists for Carter/Mondale, Carter Task Force on Energy

Subjects: Conservation, energy policy, environmental protection, political patronage, presidential campaigns, natural resources

Types of Material: Bibliographies, briefing material, correspondence, memoranda, printed materials, reports, resumes

Administrative Information:

Preferred citation: [Type of Document], [Names of Sender and Recipient or Title of Document], [Date], [Collection Title], [Series Title], [Folder Title], [Box Number], Jimmy Carter Presidential Library.

Acquisition information: These donated historical materials were received under provisions of the instrument of gift that Carlton Neville signed December 6, 1982.

Processing information: The first series of the collection was opened in April 1989. The open dates are indicated in the series descriptions.

System of Arrangement:

Arrangement Note: The division of the collection into series was completed by the Carter Library. Brackets around folder titles (or portions of folder titles) indicate that information was supplied by Library staff.

The records of the Carlton Neville Papers are divided into six series:

Series Title	National Archives Identifier
<u>Carlton Neville's Name Files</u>	144849
<u>Carlton Neville's Resume Files</u>	145031
<u>Carlton Neville's State Files</u>	145213
<u>Carlton Neville's Subject Files</u>	145249
<u>Carlton Neville's Printed Materials Files</u>	145404
<u>Carlton Neville's Conservation Files</u>	5803340

Detailed Description of the Collection

[Carlton Neville's Name Files](#)

Scope and Content: Containers 1-9. This series was opened in April 1989. This series contains correspondence and memoranda, primarily from environmental activists concerning the latest developments with regards to the environmental issues at the time. Arranged alphabetically by last name.

[Carlton Neville's Resume Files](#)

Scope and Content: Containers 10-12. This series was opened in April 1989. This series contains resumes and vitae of potential volunteers. Arranged alphabetically by last name.

[Carlton Neville's State File](#)

Scope and Content: Containers 13-14. This series was opened in April 1989. This series contains correspondence and clippings. Arranged alphabetically by state.

[Carlton Neville's Subject Files](#)

Scope and Content: Containers 15-31. This series was opened in April 1989. This series contains reports, publications, and clippings, primarily from environmental activists concerning the latest developments with regards to current environmental issues. Arranged alphabetically by subject.

[Carlton Neville's Printed Materials Files](#)

Scope and Content: Containers 32-39. This series was opened in April 1989. This series mainly contains bound material such as magazines, environmental impact statement reports, and telephone directories. Arranged by type of material.

[Carlton Neville's Conservation Files](#)

Scope and Content: Containers 40-46. This series was opened in August 2017. The series contains original press releases, memoranda, correspondence, newspaper clippings, reports, resumes, publications, and printed material. The series mainly relates to Carlton Neville's role as Chairman of the Georgia League of Conservation Voters and Chairman of the Flint River Committee. Topics include conservation, environment, and solar energy. Arranged alphabetically by subject.
