Museum Opening day Less than One Month Away

Join President & Mrs. Carter on October 1st

Atlanta, GA. - Join President and Mrs. Carter, former Vice President Walter Mondale and a host of national, state and local dignitaries for the Gala Carter Museum Re-Opening Ceremony.

The ceremony will take place on the front lawn of the Carter Presidential Center at 10:30am on Thursday, October 1st (President Carter's 85th birthday.) The ceremony is free and open to the public. No tickets or reservations are required. The forty-five minute ceremony will conclude with a ribbon-cutting and then, the all-new Carter Presidential Museum will be open. In honor of President Carter's birthday, admission to the museum will be free on October 1st.

The all-new Carter Presidential Museum will be a treat for the whole family. Watch the new introductory film narrated by "West Wing" President Martin Sheen; stand at a submarine periscope and see scenes from President Carter's navy career; step into an exact replica of the Oval Office.

Surrounded by six giant monitors, you'll experience what it is like during "A Day in the Life of the President." Standing in front of a glass wall displaying the 27 million pages of presidential papers archived at the Carter Library, you see what it is like to do research with White House documents.

For the first time, the Carter Museum will feature a major section on the work the Carters have done since leaving the White House. You'll learn about their efforts to Wage Peace, Fight Disease and Build Hope. You'll be able to take a virtual trip with the Carters around the world to fight disease and promote democracy.

The all-new Carter Presidential Museum will thrill the entire family. Don't miss this opportunity to be part of the re-opening ceremony on October 1st.
