Wednesday, November 1...Karen Cox...*Goat Castle*

Strange, fascinating, and sobering, *Goat Castle* tells the story of this local feud, killing, investigation, and trial, showing how a true crime tale of fallen southern grandeur and murder obscured an all too familiar story of racial injustice.

Friday, November 17...Khizr Khan...*An American Family*

This inspiring memoir by the Muslim American Gold Star father and captivating DNC speaker is the story of one family's pursuit of the American dream. Kahn will be in conversation with Soumaya Khalifa, founder of the Islamic Speakers Bureau of Atlanta. This event is free and open to the public. However, you may reserve your seat by pre-ordering a signed copy of the book from our partner ACappella Books. (Carter Center's Cecil B. Day Chapel)

Monday, November 27...Laura Dowling...*A White House Christmas*
Part extravaganza, part historical tradition the White House Christmas is always characterized by an inspiring theme, exquisite decorations and unifying messages of hope and goodwill towards all. As Chief Floral Designer during her six years at the White House, Laura Dowling was responsible for the dazzling floral pieces that made the season so memorable.

Thursday, November 30...Alison Wright...*Human Tribe*
A page-turner in the most exquisite sense, this book of over 160 portraits expresses the emotive beauty and grace of the human face. Documentary photographer Alison Wright traveled to every continent to capture the diversity of the human tribe, from toddlers to those who've lived a lifetime, and from South America to Africa, Asia, and points in between.

Tuesday, December 5...Bill Browder...*Red Notice*
A real-life political thriller about an American financier in the Wild East of Russia, the murder of his principled young tax attorney, and his dangerous mission to expose the Kremlin's corruption. Browder glimpsed the heart of darkness, and it transformed his life: he embarked on an unrelenting quest for justice in Sergei's name, exposing the towering cover-up that leads right up to Putin. A financial caper, a crime thriller, and a political crusade, *Red Notice* is the story of one man taking on overpowering odds to change the world. (Cecil B. Day Chapel)

Wednesday, December 6...Charles Denyer...*Number One Observatory Circle*
Quietly situated on the grounds of the United States Naval Observatory (USNO) in our nation's capital lies Number One Observatory Circle, the official residence of the vice president of the United States. From never-before-seen photos to candid conversations with former vice presidents, family members, political power players of their time, and others — Charles Denyer brings to life untold stories and memorable moments of the three-story, green-shuttered mansion covered in layers of off-white paint, and the people who were privileged to call it home.
