Dear Governor Carter,

Thank you very much for your letter requesting information about issues concerning Alcoholics Anonymous.

Alcoholics Anonymous is a fellowship of men and women who share experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. Our program is a program of recovery, but we are not experts on the disease of alcoholism.

Traditionally, A.A. is not allied with any sect, denomination, politics, organization or institution; that is why as a fellowship we would not get involved in any issues. A.A. members as individuals and concerned citizens would be of help to you in your endeavors, but would not represent Alcoholics Anonymous in any way.

Thank you for your cooperation and interest in Alcoholics Anonymous.

Cordially,
