Post Office Box 1524

Dear Governor Carter:

Thank you for your letter of July 17, inviting the American Bar Association to identify issues which might be addressed by candidates this year. We shall give this matter serious consideration, and will provide you with the information you have requested sometime in September.

The Association's House of Delegates will take positions on important issues when it meets next month. We know that you would prefer to have the latest thinking of the House.

We appreciate the interest of the Democratic National Committee in receiving the views of the American Bar Association.

Sincerely,

Bert H. Early
