Ms. C. Rebel Randall

Dear Governor Carter:

I am delighted to learn a good Rebel has been named Chairman of the 1974 Campaign Committee!

Thank you too for your remarks about my Congressional Bid. We figure one does not lose unless one is the Party's nominated candidate against the Republican. We intend to try again for the nomination of our Party in 1976; a time when a Woman can be elected in the 37th Congressional District.

In Riverside County, the Republicans are entrenched. Every County office is held by them, and every Judge sitting as well as every member of our County Election Bureau are registered Republicans. We hope '74 will be the breakthrough year for our Party Candidates. We face the hard facts that the primary on June 4th returned every Republican incumbent of the non-partisan offices by landslide margins, and only Republicans held and now hold those offices, and are able to influence the coming Election.

We believe Women are the key to the '74 break-through in Riverside County. To This end, we have inaugurated the "Democratic Women of Riverside County" (of which I am Founder) with Chiefs from Banning to Blythe and Redlands to Riverside of the Cities to raise funds and work for our Candidates.

We already have the Rebel Randall workers actively engaged in telephone support for the November Election of all Democrats. This are the same ladies who worked for me and our Governor-to-be, Jerry Brown, in the recent Primary, and March Fong.

With all good wishes. You know you can count on us!

Sincerely yours,

C. Rebel Randall
