Jimmy Carter

Presidential Campaign

For America's third century, why not our best?

Dear

Thank you for your mailgram and interest in the Carter campaign. Governor Carter and our staff appreciate receiving your ideas and advice concerning the Greek-Turkish situation.

I have enclosed a copy of the telegram sent to President William G. Chirgotis by Governor Carter for your use. If you have any further questions, ideas, or materials that may be of use to us, please do not hesitate to write again. Once again, thank you very much.

Sincerely,

Neil S. Sader
Issues Staff

Jimmy Carter Presidential Campaign

JIMMY CARTER ON CYPRUS
AUGUST 19, 1976

TO:

Supreme President William G. Chirgotis
AHEPA 54th Supreme Convention

Congratulations on the occasion of the 54th Annual Supreme Convention of the American Hellenic Educational Progressive Association. I have the greatest admiration for the impressive contributions which Greek-Americans have made to American industry, education, the arts and political life, without your losing your strong ties to church and community. Your heritage lies in a land where democracy was first born, and where, thankfully, it has seen a recent rebirth. You are still among democracy's staunchest defenders. I salute you.

As you deliberate I want you to know of my deep concern over existing tensions between Greece and Turkey. The United States for many years has had a major role and responsibility in helping to preserve the security of both Greece and Turkey in the context of the NATO Alliance. The United States thus has made a large contribution to the military postures of both countries. For this reason, the United States must help to resolve the differences between our two allies peacefully.

The absence of progress in the Cyprus negotiations is tragic and dangerous. The Administration's record is a record of one lost opportunity after the other, having failed to deal with the situation in three respects: it failed to bring about a settlement in Cyprus during the five years before the Cyprus crisis; it failed, despite repeated warnings, to prevent the 1974 coup against Makarios engineered by the former military dictatorship in Athens; and it failed to prevent or even to limit the Turkish invasion of Cyprus that followed. Secret and personal agreements, vacillation and cynicism, are no substitute for a clear commitment to an early settlement which gives Cyprus its independence.

I hope there will be successful initiatives from the Greek and Turkish governments and Turkish Cypriots to end the impasse which now exists in the talks between the Greek and Turkish Cypriot communities. To contribute to an enduring peace, any settlement must provide a solution to the territorial problem, bearing in mind the proper balance between the two populations and the need for a viable economic base for the two communities and the island as a whole. It must protect the rights of both the Greek majority and the Turkish minority on the Island, including the rights of those displaced from their homes by the Turkish invasion.

I hope both Greece and Turkey will avoid any action that would increase existing tensions and the possibility of conflict over the issue of oil rights. Both these nations have infinitely more to gain from friendship than from enmity. Therefore, I would hope they would sit down together to resolve their differences on a just basis with such help from any international organization they may deem appropriate and useful. Perhaps the International Court of Justice can clarify some of the legal issues involved in the oil rights dispute in the Aegean. Effective diplomatic steps to support the rule of law must be taken.

FORMER GOVERNOR JIMMY CARTER
CARTER FOR PRESIDENT HEADQUARTERS
ATLANTA GA 30300

*FYI - in case
you're asked -
file SPS*

I CALL UPON YOU TO JOIN WITH ME IN ENDORSING A MORATORIUM ON NUCLEAR POWER PLANTS.

RECENT EVENTS IN NEW ENGLAND MAKE IT INCREASINGLY CLEAR THAT THERE ARE SEVERE SAFETY AND HAZARD QUESTIONS WHICH HAVE NOT BEEN ANSWERED ABOUT THESE PLANTS. ON FEBRUARY 12 AN UNDETERMINED AMOUNT OF RADIOACTIVE STEAM AND WATER WAS ACCIDENTALLY DISCHARGED OUTSIDE THE MILLSTONE NUCLEAR POWER PLANT ON LONG ISLAND SOUND NEAR WATERFORD CT.

ROBERT POLLARD WHO RECENTLY RESIGNED FROM THE NUCLEAR REGULATORY AGENCY HAS WARNED THAT A THIRD NUCLEAR UTILITY UNDER CONSTRUCTION AT WATERFORD IS POTENTIALLY UNSAFE.

THE VERMONT YANKEE NUCLEAR POWER CORP WAS IDLE FOR TWO WEEKS IN FEBRUARY BECAUSE OF SAFETY PROBLEMS.

NATIONALLY THREE KEY EMPLOYEES OF G.E.'S NUCLEAR SAFETY DIVISION RESIGNED RECENTLY CITING THEIR CONCERNS ABOUT SAFETY PROBLEMS IN NUCLEAR WASTE DISPOSAL.

IN ADDITION TO THE SAFETY AND WASTE PROBLEMS CONCERNING THESE PLANTS, THEY DO NOT MAKE ECONOMIC SENSE EITHER. THE COSTS OF SUCH PLANTS HAVE GONE UP TREMENDOUSLY IN RECENT YEARS. A 1000 MEGAWATT NUCLEAR PLANT BUILT IN 1975 COST MORE THAN \$800 MILLION, WHILE A SIMILAR COAL-POWER PLANT COST NEARLY \$200 MILLION LESS.

ECONOMISTS HAVE SHOWN THAT IT IS CHEAPER TO PRODUCE POWER WITH COAL IF CAPACITY FIGURES AT WHICH THE PLANTS ACTUALLY OPERATE ARE USED, RATHER THAN THE 80 PERCENT CAPACITY FIGURES WHICH HAVE BEEN USED TO JUSTIFY NUCLEAR POWER PLANTS. ACTUAL OPERATING CAPACITY FOR NUCLEAR PLANTS HAVE BEEN AROUND 55 PERCENT AND AT THAT LEVEL NUCLEAR PLANTS PRODUCE POWER AT 32.9 MILLS PER KILOWATT HOUR WHICH COMPARES WITH COAL-POWER PLANTS AT 30 MILLS PER KILOWATT HOUR.

THERE IS ALSO MORE EMPLOYMENT IN COAL-POWER PLANTS THAN IN NUCLEAR PLANTS. TOTAL JOB REQUIREMENT FOR COAL-POWER (INCLUDING MINING) ARE 40 PERCENT HIGHER THAN FOR NUCLEAR POWER. AND CONSTRUCTION LABOR REQUIREMENTS ARE ABOUT EQUAL.

WE CAN MEET AMERICA'S ENERGY NEEDS WITH FIRST EMPHASIS ON CONSERVATION (PROHIBITING UTILITIES FROM GRANTING A DECREASING PROMOTIONAL RATE TO

52-1 (R2-74)

LARGE INDUSTRIAL USERS, (FOR EXAMPLE), SECOND, NEW EMPHASIS IN THE SHORT RUN ON CLEANER COAL, GEOTHERMAL POWER AND SOLAR POWER FOR HEATING AND AIR CONDITIONING, AND, THIRD, GREATER EMPHASIS, FOR THE LONG RUN ON DEVELOPMENT ON SOLAR POWER FOR DIRECT CONVERSION INTO ELECTRICITY.

IN LIGHT OF THE SERIOUS SAFETY AND EFFICIENCY QUESTIONS ABOUT NUCLEAR POWER PLANTS, I HOPE ALL DEMOCRATIC PRESIDENTIAL CANDIDATES WILL JOIN WITH ME IN A UNITED FRONT TO OPPOSR PRESIDENT FORD'S BUDGET REQUEST IN WHICH HE ASKS FOR NEARLY TEN TIMES AS MUCH MONEY FOR NUCLEAR POWER AS FOR SOLAR POWER, FOR EXAMPLE, AND PROPOSES THAT TWO HUNDRED MORE NUCLEAR PLANTS BE BUILT BY 1985. SINCERELY YOURS

FRED HARRIS
