MEMORANDUM FOR THE PRESIDENT

FROM: JERRY RAFSHOON

SUBJECT: Media Dinners

We have just about run through all of the media people we would want to invite for dinner. If you want to continue the program however I would suggest two ways to go about it.

First, we could provide you with a list of all the people who have already been here for dinner and you could choose those whom you would like to invite to return. It would be good if you could establish an on-going personal relationship with some of the ones you like.

Second, we could expand the concept and invite non-media groups for dinner. I have in mind, for example, economists, political scientists and historians, religious leaders, Nobel Prize winners, scientists, University presidents, social scientists, business leaders. This might be enjoyable and productive. Furthermore, many of these "leaders" are asked to comment from time to time on your programs or your Administration in general.

Continue media dinners:  Approve  Disapprove

Begin other dinners:  Approve  Disapprove

*Jerry*  
I have sent Gretchen more names  
for at least one more media dinner.  
I think we will have to have specific  
names before I can talk Jimmy into  
"other" dinners
