Dear Mr. President:

The salaries of the Alternate Federal Members of the Delaware and Susquehanna River Basin Commissions have been fixed at the rate for GS-18 under 5 USC. This pay fixing authority is vested in the President by Public Law 87-328 for the Alternate Federal Member of the Delaware River Basin Commission and by Public Law 91-575 for the Alternate Federal Member of the Susquehanna River Basin Commission.

The two Alternate Federal Member positions will be covered by the Senior Executive Service (SES) created by the Civil Service Reform Act of 1978. Therefore, new pay rates must be approved for each of these positions within the SES pay rates. Under the provisions of the Civil Service Reform Act of 1978, incumbents of positions covered by the SES must be offered a salary in SES which is equal to or greater than their current salary. I have determined that a rate of ES-6 (\$52,800) to be appropriate for these positions. Therefore, I recommend that you fix these pay rates at ES-6 under the authority of Public Law 87-328 and Public Law 91-575.

MEMORANDUM FOR THE PRESIDENT

FROM:

STU EIZENSTAT *Stu*
ANNE WEXLER *AW*

SUBJECT:

Meeting with Major Oil
Corporation CEO's

Our meeting with the Washington reps of the major oil companies was a great success. The group was receptive and our reaction is that the meeting was essential to cut down opposition to the overall program.

Therefore, we suggest a meeting with the chief executive officers of the major oil companies this week and feel it would be a big help in cutting down opposition to the energy tax proposals if you could do a stop-by.
