THE WHITE HOUSE  
WASHINGTON

DA

rick --

this had been left on  
the president's desk  
in the Study...presume  
Bob Lipshutz put it there.

Even though I appreciate  
his desire re timely  
notification -- I do not  
appreciate Bob's putting  
things on the desk directly --  
especially when there are  
bound to be things the  
President has there which  
are extremely sensitive.

thanks--susan

TO: The President  
FROM: Bob Fiskel

The Justice Department has just advised me that this afternoon the Supreme Court denied certiorari in the Wage - Price Guideline suit. The vote was 6-3.

Thus your right to utilize federal government procurement power to strengthen your anti-inflation program now has been finally upheld.  
Congratulations!
