MEMORANDUM FOR THE PRESIDENT

I understand that Secretary Vance has submitted to you a recommendation for actions to be taken in response to the recent decision of the Supreme Court of Chile rejecting our request for extradition of certain Chilean officials in connection with the Letelier assassination.

As you know, the Department of Justice, through the efforts of the United States Attorney's Office in the District of Columbia and the FBI, succeeded in convicting those who actually committed the assassination, and in the course of that prosecution we developed clear evidence of the complicity of the officials as to whom extradition was sought. In our view, and that of others knowledgeable concerning the international law of extradition, the decision to deny extradition in this case was unconscionable.

I strongly support Secretary Vance's proposals and urge your approval of them, consistent, of course, with any overriding foreign policy and national security considerations.

Memorandum to: The President
From : The Attorney General **BRE**
Subject : Report of the Interagency
Coordinating Council

I am writing to you in my capacity as Chairman of the Rehabilitation Act Interagency Coordinating Council to provide you with a report on the Council's activities.

Section 120 of the Rehabilitation Act Amendments of 1978 (29 U.S.C.A. § 794(c) (1979 Supp.), P.L. 95-602) established the Council to coordinate and facilitate the effective Federal implementation of the affirmative action and nondiscrimination provisions of Title V of the Rehabilitation Act which generally prohibit discrimination on the basis of handicap in Federal employment and in Federal contracts and grant programs.

The Council is required to report to the President and Congress each year on its activities "together with such recommendations for legislative or administrative changes as it concludes are desirable...." The Council was only recently constituted and held its organizational meeting on August 9, 1979. The Council has appointed a staff and formulated an agenda for Council activities. I anticipate that by the time I send my next report to you in July 1980, I will be able to advise that the Council has effectively discharged its responsibilities under the Rehabilitation Act.

One matter discussed by the Council at its October 18 meeting requires your personal attention. I am informed that the Architectural and Transportation Barriers Compliance Board cannot transact business because it lacks a quorum. The Board was established under section 502 of the Rehabilitation Act of 1973 (P.L. 93-112), 87 Stat. 1619) to enforce the Architectural Barriers Act

of 1968, as amended (42 U.S.C. § 4151). The Act requires that -- after August 12, 1968 -- federally occupied and funded buildings and facilities be designed, constructed and altered so that they are accessible to and usable by the physically handicapped.

Section 118 of the Rehabilitation Amendments of 1978 (29 U.S.C.A. § 792) added the Attorney General or his designee to the Board, thus bringing the total of federal agency representatives on the Board to ten, and further provided that eleven members of the public (of whom five are to be handicapped individuals) shall be appointed by the President as members of the Board. To date no public member has been appointed, although the Amendments became effective on November 6, 1978. Due to a legislative oversight, the Congress did not provide the Board with continuing authority to function pending the Presidential appointment of the public members. The Department's Office of Legal Counsel advised the Chairman of the Board by letter of April 11, 1979 that it lacked a legal quorum to transact business until at least one public member is appointed and at least eleven Board members participate in Board activities.

The function of the Board is an important one, and I hope that the appointment of the Board's public members will be made as soon as possible.

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

OCT 22 1979

MEMORANDUM FOR: THE PRESIDENT
FROM: James T. McIntyre, Jr. *JM*
SUBJECT: Appointment of U.S. Executive Director to the
World Bank Board

Arnie Miller is sending you a list of candidates for the vacancy created by Ed Fried's departure from the U.S. chair on the World Bank Board. I know that Arnie will be giving you a broad list of possible appointees appealing to a variety of constituencies.

Because of the critical U.S. leadership role in formulating World Bank policies, I would urge you to select the "inside" nominee on the list, Rudd Poats. As Henry Owen's deputy, Rudd has been a major force in implementing your foreign assistance strategy, and has done so with a strong eye toward the fiscal realities we face.

At a time when we will look to the World Bank for even more skill and judgment in development assistance, I would urge you to select the person with the best track record. In the coming years, the Bank must operate with a thoroughly realistic view of the levels of resources which the U.S. and other major donors can provide. Given my experience with Rudd, he clearly has that realistic perspective, and thus stands at the top of my list. I believe that others like Cy, Henry, and Bob McNamara would second that vote, and I would urge you to consult with each of them.

Finally -- and importantly, in my view -- by selecting Rudd Poats you would be rewarding an individual for outstanding performance in service to you here in the Executive Office.
