MEMORANDUM FOR THE PRESIDENT

FROM: HUGH CARTER *HC*
SUBJECT: Successor ID Cards

John Macy (Director of the Federal Emergency Management Agency), Marty Beaman and I have been working to assure that there is proper coordination between the emergency planning for the White House and for the successors to the Presidency.

John Macy has requested that the presidential successors be issued emergency ID cards (sample attached) which are designed to provide a means of positive personal identification in a crisis situation. This card would identify the successor as having essential emergency responsibilities and would request that the successor, and accompanying party, be afforded full assistance and unrestricted movement.

It is our recommendation that we proceed with the preparation of appropriate official ID cards for the successors and any others you may designate to be submitted for your signature.
