MEMORANDUM FOR THE PRESIDENT

FROM:

ANNE WEXLER *AW*

SUBJECT:

Proposed Meeting with Student Leaders

I recommend that you meet with a group of about 200 selected Student Government presidents and campus newspaper editors between February 15 and February 22. Their session at the White House would include briefings on domestic and foreign policy issues, as well as some smaller discussion sessions on the 1980's and the role of students in dealing with major national problems. You would address the students and take a few questions for approximately fifteen to thirty minutes at the end of their day and we would have a White House reception afterwards.

If you concur, we will work out the details with Phil. The dates of February 15 to February 22 have been chosen because they are soon enough after the beginning of the second semester that these student leaders would not have become actively involved in other campus activities which might prevent their attendance.

Approve meeting. _____
