TO PHIL WISE

The attached was returned in Mrs. Carter's outbox. It is being forwarded to you for appropriate handling.

Madeline MacBean

The President told Mrs. Carter he would see Bob Templeton -- Templeton "promised" me he would be no longer than 15 minutes. RSC asked that you please set it up.

Tks!

Dear Rosalynn:

I am enclosing color prints of an oil I have been working on since the President sat for me for the Georgia Senate portrait. The Oval Room is such a splendid setting and President Carter looked so at ease there and so Presidential, that I have spent any free time that I could find on this private project. The portrait (56"x96") is not completed, there are corrections that need to be made, the President changed the part in his hair since sitting for me. I need 15 minutes with the President to photograph for the corrections. Can you help me in securing that time in your husbands' busy schedule? I would be so grateful.

In the telephone polling that I do daily for the Carter/Mondale Campaign, we are delighted that President Carter is preferred by 85% of the registered Democrats here in Connecticut.

With best wishes to you and your family.

Sincerely,

Bob
