THE WHITE HOUSE
WASHINGTON

9-21-80

To George Harvey

Again, we really enjoyed being with you for another all-too-brief visit to Spruce Creek.

The mounted display of your flies is a work of art, and I have already hung them in my private White House study, where I hope they will remain for another 4 1/2 years! Rosalynn is thrilled with the box and flies you gave her.

We are planning for you & Mrs. Harvey to come to spend the night with us. We'll pick out a mutually convenient date.

p.s. Send me another copy of your booklet.

Your friend,
Jimmy Carter

Dear Mr. President

Thanks so much for
your kind letter. I will
keep it and Mrs. Carter's
with my special mementoes.

I sincerely hope and
pray that you both will
be coming to fish Spruce
Creek for many years to
come.

You were casting so
well this past trip that
next time I hope to work
some with Mrs. Carter.
She has excellent coordination
and with just a few
refinements can become an
outstanding fly fisherwoman!

With kindest regards
and many tight lines!

I remain
Sincerely yours,
George
