DEPARTMENT OF AGRICULTURE
OFFICE OF THE SECRETARY
WASHINGTON, D. C. 20250

RL

May 5 1978

The President
The White House
Washington, D.C. 20500

Dear Mr. President:

Knowing of your deep concern over the Nation's youth unemployment problem, we would like to extend to you the opportunity to support one of your administration's key efforts in this area, the Young Adult Conservation Corps (YACC).

The Labor Department administers the \$233.3 million program through an interagency agreement with the Departments of Agriculture and the Interior. It is one of four programs in the Youth Employment and Demonstration Projects Act of 1977. The program was funded as part of the \$1 billion Economic Stimulus Appropriations Act of 1977.

YACC provides year-round jobs for unemployed and out-of-school youths 16 through 23 years of age, and accomplishes much needed conservation work on Federal and State lands. The entire program will employ approximately 22,000 youths during Fiscal Year 1978.

Preference is given to prospective enrollees who reside in areas which have an unemployment rate of 6.5 percent or more. There are both residential camps and non-residential projects. Enrollees receive the minimum hourly wage. Some receive a higher rate of pay for serving as crew leaders, for example. Enrollees may not participate for more than a total of 12 months.

We feel it would be appropriate at this time to launch a public information campaign to increase public awareness about the merits and opportunities offered unemployed youths by YACC. Target audiences would include the general public, prospective enrollees (particularly minorities), and interest groups.

There are various methods of accomplishing this task, including the production of radio and television public service announcements. We firmly believe the greatest impact would be achieved if you were to "kick off" our efforts by making a spot, TV and radio public service announcement. A message by you would again demonstrate to the American people your commitment to reducing our country's youth unemployment problem. Your support of this campaign would also help us in obtaining the cooperation of sports and entertainment celebrities for other public service messages.

We would welcome the opportunity to discuss this project with you and members of your staff.

Respectfully,

M. Rupert Cutler
Acting Secretary
Secretary of Agriculture

Cecil D. Andrus
Secretary of the Interior

No! I think we should save the President for more important PSA's than these: inflation, civil service reform, and others. I am working up these and other TV/Radio presentations. unless this is more important than I know, they should be done by Andrus & Bergland.

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

May 24, 1978

MEMORANDUM FOR: THE PRESIDENT
FROM: DAVID AARON 
SUBJECT: Reception for O.A.S. General Assembly

Secretary Vance has written you a memorandum at Tab A recommending that the White House hold a reception for Foreign Ministers who will be in town for the O.A.S. General Assembly from June 21 to June 30, plus a number of distinguished U.S. guests, O.A.S. Ambassadors and their wives. I support his recommendation, and believe that it would be a good opportunity, immediately following your trip to Panama, to also invite people from the U.S. public who supported you in the Canal Treaty ratification.

As Secretary Vance points out, it has been past practice for the President and the Secretary of State to entertain the Foreign Ministers at several functions.

RECOMMENDATION:

That you give a reception at the White House on Saturday evening, June 24, for a number of distinguished U.S. guests and O.A.S. Foreign Ministers and officials. (Cy concurs)

MEMORANDUM FOR: THE PRESIDENT

From: Cyrus Vance *CRV*

Subject: White House Reception for Organization
of American States Foreign Ministers

The VIII General Assembly of the Organization of American States (OASGA) will be held at its Washington Headquarters from June 21 to 30. Uruguay's invitation was rejected due to its government's poor human rights record; Washington is thus the site this year. Although the U.S. has no official responsibilities as host, past practice has been for the President and the Secretary of State to entertain foreign ministers at several functions, a White House dinner or reception; a luncheon or reception at the State Department; and a function for wives by the First Lady or the Secretary of State's wife.

Ambassador McGee has contacted Tim Kraft informally to explore the possibilities of White House participation in this year's General Assembly. Our understanding is that, while Mrs. Carter will not be able to hold a function for foreign ministers' wives, you would be willing to consider options for a reception or dinner during the first week of the conference. We do not yet know how many foreign ministers will be attending but anticipate a majority of the 25 will come. Secretary General Orfila is expected to hold a large reception on the first evening, Wednesday, June 21; most foreign ministers will leave for home on Sunday, June 25. Thus a reception or dinner at the White House would be appropriate on the evening of Thursday, June 22, Friday, June 23, or Saturday, June 24. During earlier
