MEMORANDUM FOR THE PRESIDENT

FROM: James T. McIntyre, Jr. *Jim*

SUBJECT: Pay Cap and Hiring Freeze

The submission of the 5.5 percent alternative pay plan to the Congress must be done by August 31. The necessary papers to do so have been sent to you separately.

I believe that the occasion of the submission affords an excellent opportunity to announce the "freeze" we have discussed on Federal hiring. The combination of the two matters into one announcement should be more newsworthy than either one alone, and would offer a chance to make a strong Presidential statement about holding down Federal pay, spending and employment.

If you approve, I will put together the necessary documents to implement a plan whereby 25 percent of all vacancies in Federal departments and agencies must remain unfilled for a period of 90 days, and work with Jerry and Jody on the announcement.

MEMORANDUM FOR THE PRESIDENT

Subject: Meeting with the U.S. Industrial Payroll Savings Committee, January 10, 1979, at the State Department

On January 10, 1979 I am hosting a meeting of the U.S. Industrial Payroll Savings Committee to launch our 1979 Payroll Savings Bond Campaign. This Committee is currently chaired by Charles J. Pilliod, Jr., Chairman of the Board, Goodyear Tire & Rubber Company, and he will be succeeded by Harold J. Haynes, Chairman of the Board, Standard Oil Company of California. The Committee meets once each year, and each member normally serves a two-year term.

The Savings Bond goal for 1978 is the sale of \$8.3 billion worth of bonds. With outstanding support from the members of the U.S. Industrial Payroll Savings Committee, we can achieve our goal. With this in mind, and in an effort to launch successfully the 1979 campaign, I would like to have you meet briefly with this group either at the State Department, where we will be meeting, or at the White House.

Last year your schedule did not permit a visit with the Committee. However, in light of the strong support your leadership has meant to the Bond program as a whole, we are particularly eager to have you meet with the top rank of our most enthusiastic volunteers -- among them those who can be most helpful also in our anti-inflation efforts.

Attached is a copy of the 1978 promotional brochure showing the distinguished Committee members, many of whom you probably know and who may have already helped the Administration in other areas. Attached, also, is a tentative agenda for the January 10 meeting.
