

Your request may be better answered by the Carter Center than by the Jimmy Carter Library. The following information was provided to us by the Carter Center.

1) How can I communicate with President or Mrs. Carter?

Unfortunately, given their very active schedules, the Carters do not have time to respond to each letter individually. All communications with the Carters must be by letter. There is no way to process e-mail scheduling requests. Invitations for the Carters to participate in or attend an event should be sent to them via standard mail at:

Office of Jimmy Carter
Scheduling Department
453 Freedom Parkway
Atlanta, GA 30307

2) How can I get an autographed picture of President and/or Mrs. Carter? How can I ask them to autograph one of their books?

To request an autographed photo of President and/or Mrs. Carter, please send a written request and a self-addressed, stamped envelope (large enough for an 8x10 photo) with sufficient postage, to the address listed below.

To have President or Mrs. Carter autograph one of their books (only books that they have written), please send the book and sufficient return postage to the address listed below.

Office of Jimmy Carter
Correspondence Assistant
One Copenhill
Atlanta, GA 30307

3) How can I obtain an interview with President or Mrs. Carter or any other Center experts?

All interview requests for The Carter Center experts are handled through the Public Information Office. Requests may be sent via e-mail, postal service or fax. For the most current telephone numbers and addresses see: <http://cartercenter.org/news/index.html>

Allow 8-10 weeks for your request to be processed.

Please Note: It may not be possible for President and Mrs. Carter to honor all requests.
