The corporation has been organized for the purposes of building and maintaining a presidential library and operating in conjunction with the library, an institute to promote research and education in fields of public importance:

(a) Presidential Library. A major part of the corporation's activities will be building and operating a presidential library. The library and related exhibition areas will contain manuscripts, documents, books and other printed or recorded material, and memorabilia concerning the life of President Jimmy Carter and the history of his times.

(b) Institute. In conjunction with the library, the corporation will form and operate an Institute to promote research and education in the fields of foreign affairs, history, law, urban affairs, environmental affairs, the presidency and other fields of public importance which have been particularly significant to President Carter. The Institute will sponsor research in these fields and will sponsor or conduct classes, seminars and conferences to promote education in these fields. The Institute will probably be operated in cooperation with one or more colleges and univerisites in Atlanta, Georgia and its vicinity.
