The Honorable Jimmy Carter
Governor of Georgia
1974 Campaign Chairman
Democratic National Committee
P. O. Box 1524
Atlanta, Georgia 30301

Dear Governor Carter:

Thank you so much for your appreciated letter of July 11. Please excuse my delay in replying. It was unavoidable.

In behalf of the American Institute of Banking, an educational division of the American Bankers Association, I respond to your request with a feeling of gratitude for your interest.

Of course, there are many complicated issues and challenges facing our country, but from the standpoint of an individual citizen, I am most concerned about inflation, excessively high taxes, and crime. Certainly, these domestic issues deserve the continuing attention of all public officials, including candidates for such positions.

It was gratifying to have this opportunity to correspond with one of our nation's political leaders. Best wishes for success in all of your efforts.

Sincerely,

Rudy Fichtel
