Dear Mr. Keren:

Volume One of the two volume study of "Presidential Nominating Procedures," a state-by-state compendium of election practices in 1972, is now available for distribution. Volume Two will be available in July.

The press release which announced this new League publication did not list the price, which is $15.00. The Volumes can be purchased separately at $7.50 each.

Since you were unaware of the price when you placed your order, we are asking that you confirm it by returning the form provided with this letter. Please indicate your preference in the space provided. We will ship Volume One immediately and bill you for each volume as it is shipped.

Volume One contains the states, Alabama through Montana and Volume Two contains Nebraska through Wyoming. There is a 50¢ postage and handling charge on each order.

Thank you for your interest in this publication.

Sincerely yours,

William N. Cassella, Jr.
