Rick: The President has a press conference scheduled on the afternoon of the 9th at 4:30 P.M. & a mtg with newspaper editors the morning of the 10th & and his trip to New Mexico & California on the 10th & 11th. We now have under consideration remarks in San Diego aboard a navy carrier aimed towards the President's commitment to a strong national defense. We agree that the President needs to make a major foreign policy address, but we would argue that the schedule is already full during the time proposed. Bob Duncan for Phil

Rick - There is no way the P's schedule will allow adding this event. We have already regretted to Chig. It is my understanding Chig is addressing the group. Fran
