NOV 9 - 1978

TO: The President

FROM: The Secretary of the Interior

SUBJECT: Intergovernmental Task Force on Water Policy

On Tuesday, December 12, I will chair the first official meeting of the Intergovernmental Task Force on Water Policy. This group was established in your water policy message to help implement the water policy and to continue the dialogue started during the water policy review.

The National Governors Association, National Conference of State Legislatures, National Association of Counties and the National League of Cities have all designated members to attend this first meeting; a list of attendees is attached. In addition, all Cabinet members who are members of the Water Resources Council have been invited to attend.

If you have a few moments to spend with us that day to help "kick off" the meeting, it would be greatly appreciated and would underscore the importance of the Federal-State cooperative effort in water management.

We will be meeting in the Roosevelt Room from 10 a.m. to 2 p.m.
